## LIFE WELL LIVED

A life well lived is a precious gift of hope and strength and grace,  
From someone who has made our world a brighter, better place

It's filled with moments, sweet and sad  
with smiles and sometimes tears,  
with friendships formed and good times shared  
and laughter through the years.

A life well lived is a legacy of joy and pride and pleasure,  
a living, lasting memory our grateful hearts will treasure.
